**National Marriage Week** - Today, we celebrate the Fifth Sunday in Ordinary Time and National Marriage Week. The observances of National Marriage Week (February 7th - 14th) and World Marriage Day (Sunday February 9th) are an opportunity to focus on building a culture of life and love that begins with supporting and promoting marriage and the family. The theme for 2025 is "Marriage: Source of Hope, Spring of Renewal. Pursue a Lasting Love!" As the Church participates in National Marriage Week and the Jubilee of Hope, the importance of humility in the covenant of marriage is worth a bit of timely reflection. Of all the virtues that complement marital love, humility strengthens the marriage bond at its core. Humility encourages selfless generosity between spouses and makes a couple's marital love more resilient. When spouses humbly offer love to each other, the daily familial bumps and bruises that happen heal more quickly. With each gesture of humility, whether in word or action, the pursuit of lasting love becomes more than just a fanciful idea; it finds a home where it is lived and felt. When spouses are humble before each other, love grows. May Jesus, who was present at the wedding feast of Cana, be a source of hope, renewal, and lasting love for all married couples.

**Pilgrim's Passport** - To be on pilgrimage during a Jubilee Year is a unique time to gain special graces called Plenary Indulgences. Since many people cannot travel to Rome, the Pope has named Holy Door Churches, (in the U.S., the Basilica of the National Shrine of the Immaculate Conception, Washington, D.C has been named). Every Bishop has been given permission to name Holy Sites in their own diocese. Our Pilgrim's Passport Booklet includes the 13 Holy Site Churches named by Bishop Mark. Pictures of all our churches are also included in the booklet. QR codes are printed in the booklet to access parish information. The booklets will be stamped at the Holy Site Churches. Information about Special Bonus Gifts is available in the Passport Booklet. You may use the Pilgrim's Passport until Sept. 8, 2025.

The Jubilee logo shows four stylized figures, representing all of humanity, coming from the four corners of the earth. They embrace each other to indicate solidarity and fraternity which should unite all people. The figure in front is holding onto the cross. It is not only the sign of the faith which this lead figure embraces, but also of hope, which can never be abandoned, because we are always in need of hope, especially in our moments of greatest need. There are rough waves under the figures, symbolizing the fact that life's pilgrimage does not always go smoothly in calm waters. Often the circumstances of daily life and events in the wider world require a greater call to hope. That's why we should pay attention on to the lower part of the cross which has been elongated and turned into the shape of an anchor which is let down into the waves. The anchor is well known as a symbol of hope. Just as an anchor stabilizes a ship, hope stabilizes our lives, especially during stormy situations. The pilgrim's journey is dynamic and communal, marked by an increasing movement closer to the cross. The cross is also dynamic as it bends down towards humanity, not leaving human beings alone, but stretching out to them to offer the certainty of its presence and the security of hope. At the bottom of the logo is the motto of the 2025 Jubilee Year: Pilgrims of Hope.

**PRE-CANA CLASS** will be held at St. Peter's on March 22nd from 9AM - 5PM. Snow Day is March 29th. Please contact the rectory for more information.
